

## EC-type examination certificate

**C7019PMC**

Applicant / manufacturer	Paulson Manufacturing 46752 Rainbow Canyon Rd. TEMECULA, CA 92592 USA
Identification of the manufacturer	PMC
Product type	Face-shield / visor with UV-protection manufactured by injection moulding
Model name	IM13-L8, see schedule identifying the different models
Standard(s) / technical rules	DIN EN 166:2002 and DIN EN 170:2002 Annex II of the PPE-Directive 89/686/EEC
Test reports	1004-ECS-07
Material	LEXAN, polycarbonate
Marking	see schedule

Herewith, ECS certifies that the named model complies with the basic requirements for health and safety as they are provided by the European Directive for Personal Protective Equipment 89/686/EEC. This certificate is based both / either on the test results as they are summarized in the named test reports, and/or on the technical documentation as it is delivered by the manufacturer. The applicant / manufacturer agrees to the General Business Rules of the ECS GmbH and to additional agreements as they are named in the application for conformity assessment.

The eye-protection device is to be marked as assigned. Either / both the frame and / or the ocular, spectacle, google or shield must be signed, as appropriate. If different marking has been assessed, the lowest marking must be applied, respectively. The validity of this EC-type examination will expire, if the manufacturer modifies the safety-relevant properties of this product with comparison to the tested one or if the requirements in the standards or technical rules will be revised and/or tightened. Name, address and identification number 1883 of the notified body ECS must be indicated in the information brochure of this product.
